

# VKC Research Ethics Grand Rounds Panel Discussion: Standards of Care, Disability, and a Public Health Emergency: Conversations on Equitable Care during COVID-19

Date: 12:00 May 19, 2021

Presenter: Jessica M Turnbull, MD; Sarika Peters, PhD; Kara Ayers, PhD; Jack Derryberry, JD

Vanderbilt University Medical Center is accredited by the ACCME to provide continuing medical education for physicians.

Vanderbilt University Medical Center designates this Live Activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Vanderbilt University Medical Center is approved by the American Psychological Association to sponsor continuing education for psychologists. Vanderbilt University Medical Center maintains responsibility for this program and its content. Vanderbilt University Medical Center designates this educational activity for 1.00 CE credits toward the continuing educational of psychologists.

## Objectives

After participating in this CE activity, participants should be able to:

- 1 Summarize best practices in including individuals with and without disabilities and their families in research opportunities
- 1 Identify at least two examples of disparities that individuals with disabilities face in trying to access equitable health care.
- 2 Demonstrate person-centered ethical practices.
- 2 Identify at least two ways in which the COVID-19 pandemic exacerbated the difficulties individuals with disabilities face in trying to access equitable health care.
- 3 Name at least one action item to advocate for individuals with disabilities and their access to care as well as access to research opportunities.
- 3 Describe the range of ethical considerations involved in research design and practice.

## Target Audience

Emergency Medicine, Neurology, Pediatrics, Otolaryngology, Physical Medicine & Rehabilitation, Health Policy, Hearing And Speech Sciences, Medicine, Obstetrics And Gynecology, Ophthalmology And Visual Sciences, Psychiatry And Behavioral Sciences, Surgery, Social Work, Pharmacy, Nursing, Palliative Care
