

# STAT-MD Training Workshop

Early identification of ASD for pediatric health care providers

**Thursday, Nov. 7, 2019**

8:00 a.m. to 4:30 p.m.

**Friday, Nov. 8, 2019**

8:00 a.m. to 1:30 p.m.

## Workshop Purpose:

STAT-MD Training teaches enhanced diagnostic consultation and screening procedures to pediatric medical providers serving young children. This 1.5-day workshop provides training in conducting autism-focused assessments with children, ages 18 to 36 months. Emphasis is on incorporating time-sensitive consultation models into community practice. Training components include:

- Performing interactive screening with the Screening Tool for Autism in Toddlers and Young Children (STAT)
- Conducting developmentally sensitive caregiver interviews
- Formulating diagnostic impressions and communicating them to caregivers
- Identifying appropriate billing and coding procedures

## STAT-MD Presenters:

- **Zachary Warren, Ph.D.**  
Executive Director, Vanderbilt Kennedy Center Treatment and Research Institute for Autism Spectrum Disorders (TRIAD)  
Associate Professor in Pediatrics, Psychiatry and Special Education
- **Jeff Hine, Ph.D., BCBA**  
Assistant Professor of Pediatrics  
Licensed Psychologist

## Location:

Vanderbilt Kennedy Center  
Nashville, TN
