

# Tools for your Child on the Autism Spectrum: Creating Visual Supports and Managing Blood Draws

**Thurs., October 17, 5-7 pm**

**Curb Center at Vanderbilt**

**1801 Edgehill Ave., Nashville, TN 37212**

**RSVP at: [triad.vumc.org/atn19](http://triad.vumc.org/atn19)**

Families of children with autism are invited to learn about how to create visual aids to help with daily routines and a specific additional focus on how to help ease the burden of blood draws during a clinic visit. At this free event, families will be given tools to create their own boards of visual supports that they can take home.

Free Parking: VU Zone 1 lots 80, 82, & 122
