

# Love Music? Counselors Needed!

## Countless unforgettable experiences!

The ACM Lifting Lives Music Camp is for adults with Williams Syndrome and a passion for music. Campers write and record a song with a music professional, participate in jam sessions, go on field trips, participate in research, and perform live at the stage of the Grand Ole Opry.

## Great skills and experience gained!

Counselors learn about Williams syndrome and general behavior management techniques. Counselors eligible for practicum credit through the Vanderbilt University graduate clinical psychology program.

No actual musical skill required. Must be 18+ to apply and have experience working with individuals with developmental disabilities. Residential camp requires overnight stays.

## Interested in applying?

Applications available January 1<sup>st</sup>. Camp and two days of training will be held June 9-17, 2020 on the Vanderbilt University campus in Nashville, Tennessee.
