The IDD Toolkit was made possible by a grant from the WITH Foundation, Palo Alto, CA. The Toolkit is an adaptation for U.S. use of tools developed by the Developmental Disabilities Primary Care Initiative (2005-2014), Surrey Place Centre, Toronto, Canada. The toolkit was adapted for U.S. use by the Vanderbilt Kennedy Center for Excellence in Developmental Disabilities. Advisory Committee members included physicians from the Tennessee Department of Intellectual and Developmental Disabilities, Vanderbilt University, and the University of Tennessee Boling Center for Developmental Disabilities. 01/18
