

VANDERBILT KENNEDY CENTER

# VANDERBILT AUTISM RESEARCH REGISTRY

Greetings,

The **Vanderbilt Autism Research Registry** aids Vanderbilt Kennedy Center researchers in connecting with individuals on the autism spectrum and families who are willing to participate in research. Members create confidential profiles and decide how they prefer to be contacted when they are eligible for new studies.

**Who?** Children and adults who have a diagnosis of autism.

**How?** You can enroll online. All information is confidential and secure.
