

Does your child struggle with reading and language?

Participate in a research study for 6 to 12 year olds!

We will test your child's language, reading, and listening skills. We will also provide feedback on your child's reading and language at no cost.

**For more information contact:
musicandmind@vumc.org
615-208-4757**

An illustration of a woman with long dark hair and a child with short brown hair, both with pink faces, standing side-by-side. Above them is a large orange speech bubble with three dots inside.

The Timing Study!

Receive a \$40 gift card for the first visit and \$20/hour in gift cards for additional visits.

Date of IRB Approval: 03/23/2021
