

# Music and Social Engagement in Infancy

We invite babies **6-12 months old** to join our study on social and language development and musical play. Babies are eligible if they have an older sibling.

## Your Child Will:

- Come to Vanderbilt University for 1-2 visits at study enrollment
- Play games that test language and social skills
- Have play time with parent(s)
- Watch a movie (eye/gaze tracking)
- Complete follow-up questionnaires and visits
