

Preschooler's Speech Development

VANDERBILT  UNIVERSITY

Volunteer for Research at Vanderbilt University Child Language and Literacy Lab

Help us explore children's
speech development

Who: Children who are 4 or 5
years of age who may or may
not have speech articulation
difficulties

What children will do:

- Name pictures and repeat sentences from a storybook
- Complete a 5-minute conversation activity

Participants will receive
up to \$10 as compensation
for their time.

Melanie Schuele, PhD,
CCC-SLP, is the faculty advisor
coordinating this study.
Teadora Taddeo, Alex Redfern,
and Zeb White (graduate
student research assistants)
will complete study activities
with children.
