

# Vanderbilt KIDTalk

## IS YOUR CHILD'S LANGUAGE DELAYED?

Vanderbilt Kidtalk is looking for families to participate in studies looking at the effects of a **language intervention**.

### What You Could Receive:

- *Standardized language and vocabulary **assessments** over a period of 18 months*
- *Language **therapy** from a trained professional*
- ***Reports** of your child's progress*
- ***Compensation** for your time*
- ***Toys and books** for your child*

### Eligibility:

- *Your child is **27 to 30 months***
- *Your child's **language is delayed** or you are concerned it is delayed*
- *Child's caregiver is willing to participate in **parent training***
- *Your child only hears **English** at home*
