

# Transition Experiences of Black Youth with Autism

Participate in research to help us understand the lived experiences of Black youth with autism and their families during the transition from high school to young adulthood.

## Who can participate?

Parents who live in the metro Nashville area and who have a child who:

- Is Black or African American
- Has a diagnosis of autism
- Previously received or is receiving special education services
- Is between the ages of 14-24

## Participation involves:

- A few online questionnaires (15 min)
- An in-person or Zoom interview (60 min)

Families who participate receive a \$50 gift card.
