

This Vanderbilt University study is developing a practical intervention and resources to support those interested in helping family members with intellectual and developmental disabilities (IDD) find employment.

**Who:** Parent/family member of an adult with IDD who is 16-65 years old. You must be at least 18 years old and live in Tennessee.

**What:** Participate in an individual interview (1.5 hours) or focus group (2 hours). Share your thoughts and advice on this topic.

Participants receive a \$50 VISA card.

**Questions?**
