

seeking pregnant people

for research study

If you are pregnant and are interested in participating in research, please scan this QR code to complete an interest form.

Participation involves five study visits at pregnancy, and at 1, 6, 12, and 18 months following birth of your child. Study visits will involve behavioral activities at Vanderbilt, in-home assessments, infant MRI scans, and questionnaires.

Participants will receive \$25 an hour and up to \$1,350 for full participation.

If interested, please contact us:
