

Seeking parents of young children to participate in an online survey

Date of IRB Approval: 03/04/2019

The **Music in Children and Families** study is recruiting participants to examine musical experiences in families of children with and without developmental, medical, or mental health conditions.

Who: Parent of a child 6 months to 5 years of age with or without:

- ASD
- Developmental or language delay
- Neurodevelopmental genetic syndrome
- Other health impairment

What: Complete a secure online survey (up to 30 minutes) about musical engagement and social and emotional well-being in children, parents, and families.

Where: Access the survey at <https://is.gd/MusicChildrenFamilies> or use the QR code below.

Participants can enter a lottery to win (1/30 chance) a \$25 Amazon gift card for their participation.
