

## HOLIDAY at Cheekwood

### Daytime Short Social Story™

I am going to HOLIDAY at Cheekwood today! This is a fun way to celebrate the holidays! There will be many activities for me to do during the day.

There might be a lot of other people there to celebrate too! There might be music playing or people singing. If it is crowded or loud or I am tired, I can ask the adult with me for a break. We will try to find a quiet place to sit. A quiet space will be located on the third floor of the Frist Learning Center.

In the Frist Learning Center, there will be two real reindeer named Holly and Jolly. They might be sitting, walking around, or sleeping. It might be fun to see what they are doing! There will be rules about what I can do with the reindeer, so I should listen to what the adult with me or a person from Cheekwood tells me.

I might also get to see Santa Claus! I might wait in line to meet him or get my picture taken with him. When I get to meet Santa, I can sit on his lap and talk to him if I want to. If we get our picture taken, there might be a bright flash.

There might be tables with art activities for me to do or cookies to decorate. Some of the tables might be crowded. I will try to wait my turn. There might be someone there to help me do the activity. If I don't know what to do, I can try to ask for help. Some of the activities might be messy, so the adults might help me clean up. I can take my art activities or cookies home with me. Doing these activities might be fun!

HOLIDAY at Cheekwood might be lots of fun. I might see new things and make new friends. There will be a lot of things to do. The adult with me will be happy when I am respectful HOLIDAY.
