

## Holiday LIGHTS at Cheekwood Nighttime Short Social Story™

I am going to see the Holiday LIGHTS at Cheekwood tonight! This is a fun way to celebrate the holidays! There will be many activities for me to do at the festival.

There might be a lot of other people there to celebrate too! There might be music playing or people singing. If it is crowded or loud or I am tired, I can ask the adult with me for a break. We will try to find a quiet place to sit. A quiet space will be located on the third floor (or upstairs) of the Frist Learning Center.

In the Frist Learning Center courtyard, there will be two real reindeer named Holly and Jolly. They might be sitting, walking around, or sleeping. It might be fun to see what they are doing! There will be rules about what I can do with the reindeer, so I should listen to what the adult with me or a person from Cheekwood tells me.

I might also get to see Santa Claus! If I want a snack during storytime, I can ask the adult with me if we can buy milk and cookies. They might say no. If they say no, I can still listen to the story.

We might also walk around Cheekwood to look at the holiday lights or go to different gardens. There will be one million lights for us to see! In the gardens, I will try to be respectful by walking on the paths and keeping my hands to myself. The rules for the paths for Holiday LIGHTS may be different than the rules for the paths when I come to Cheekwood at other times. There also may be music on the paths and in the gardens. If I don't know where to walk, I can ask the adult with me. When I am in the gardens, I can take lots of photos of the things I see.

Holiday LIGHTS at Cheekwood might be lots of fun. I might see new things and make new friends. There will be a lot of things to do. The adult with me will be happy when I am respectful.
