

## FOLLOWING INSTRUCTIONS

**Before placing an instruction, be prepared to follow through**

**Use statements, not questions**

*i.e.: "Clean up." instead of "are you ready to clean up?"*

**Focus on what TO DO instead of what not to do**

*i.e. "Feet down" instead of "stop jumping", "roll the car" instead of "don't throw that"*

**Use 1-2 words and only one instruction at a time**

*i.e. "shoes on," "walk," "put in," "come here,"*

**Repeat once while you prompt follow through!**

**Make sure you REINFORCE, even when you have to help them follow through!**
