

# Crisis Plan Template

*This template is designed to support school teams in developing a plan for staff to respond to dangerous behaviors, prioritizing safety and dignity for all students.*

Student Name:	Date Plan was created:
School of Attendance:	Grade:
Does the student have an IEP?      Yes      No	If Yes, Case Manager:
Does the student have a 504?      Yes      No	If Yes, Case Manager:
Crisis team members:	How to contact crisis team:

Describe the behaviors of concern in observable terms. If the student has a behavior plan with behavior definitions, include them here.
---

Non-dangerous Precursor Behaviors/Warning Signs	De-escalation strategies	Strategies to avoid/potential triggers
---	--------------------------	--

Dangerous/Crisis Behaviors	De-escalation strategies	Strategies to avoid/potential triggers
----------------------------	--------------------------	--

Environmental Considerations  
Consider unique setting-specific needs in the cafeteria, hallway, playground, etc.

What does it look like when the student is safe and not in crisis.

Plan to train staff	How often will this plan be reviewed?
---------------------	---------------------------------------
